WELCOME!

Welcome to Wonder News! I'm glad to share what I think and do with you! People are welcome to contact me to give me feedback and ideas, and to request to be added to my email list. I will add no one without a request. Feel free to share with others!

This one is finally here!

I've distributed a few gifts, updated consignment shops, and even sold some, and it doesn't release on Amazon until September!

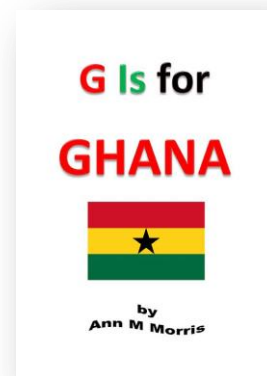

I may be requesting reviews soon, if anyone is interested! I'm glad to send you a pdf copy!

As for Ghana...

It's on the books! Ticket, CHECK! Immunizations, CHECK! Visa, CHECK! Millions of sheets, prescription bottles, fabric, babies' onesies, Bibles, and my OWN new books, CHECK! Whoops! Have to work on my own stuff now. LOL! Thankfully, due to my sister's travel status, we each get an

Extra check-in bag! Yay!

My ABC book arrived yesterday and is skinny, so that won't take as much room as I was worrying about...

It did turn out okay, for such a rushed idea. I paid for the printing, and all sales will go to educational efforts in Asikuma, Ghana. I hope I can do more things for them!

I really love the photo idea for them. It really personalizes the book, which was my intention.

I will be taking tons of photos and posting them as I can on social media, so you can keep up with me! And I'm sure there will be another book in the future about these loving people that have already welcomed me into their hearts and homes.

I truly am blessed.

I truly am thankful.

I'm so excited!!!!

Indie Author Book Expo

Yes, I participated in the IABE event, and event participated in an author Q&A Panel. It was fun getting to know more “new” authors! I haven't been doing as many shows lately, due to my upcoming trip to Ghana, but I'm still working!

“Love, Grandma” is getting closer to being ready for illustrations. I have several photos to send them for some cute ideas about my precious granddaughters.

Love, Grandma

We've been rewording the rhymes, and I really appreciate the help from my editor at Mascot Books. I'm going to love the book! I hope my granddaughters do!

Book Review!

4 Stars for "How to Catch a Monster",
by Michael Yu

This book was original and a sharp way to encourage a young boy to get ready for bed. The storytelling was age-appropriate, and the topic certainly continuously current! I enjoyed the end!

The only reason this book did not receive 5 stars was because of the iconic figures from Monsters Inc. that were featured.

Helping the Homeless

You will soon be hearing and seeing how my efforts to warm the homeless will also become a booki...my first chapter book!
